Information for parents

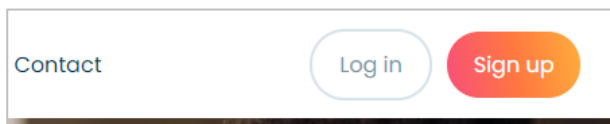

INFO SHEET

Morrisby Profile

Your child has been offered the opportunity to take the Morrisby Profile. This psychometric assessment can help them to find their true career direction, using scientific profiling of abilities, personality, interests, and motivation. Results are then matched to hundreds of careers and courses. With this awareness, they can ensure that they are supported to make the right choices when it comes to options at ages 16 and 18.

What is involved?

Your school will have given you a **Code** that you can apply when signing up at the Morrisby site. Simply navigate from www.morrisby.com to the **Sign up** button and then choose "Morrisby Pay".

Enter the code provided then follow the instructions on screen,

Parental access

Once profiling is completed, the Morrisby system has a feature that will enable you to view the results, as well as the suggested career and course information. This needs to be first initiated by the student.

Parental Access

You can invite a parent or responsible adult to access your account. They will have access to the same features as you, but cannot take any questionnaires or assessments. They cannot update any of your questionnaires and assessments or make any changes to your account, but it will help them to chat with you about your aspirations.
